

To download the latest GPU driver first go to this link: [Download The Official NVIDIA Drivers | NVIDIA](#)

Write the configuration of the installed GPU hardware in the search tab. For example, my hardware is RTX 2080 Ti, so this the result of search for it:

Manual Driver Search

RTX 2080 TI Windows

GeForce RTX 20 Series | GeForce RTX 2080 Ti | Windows 10 64-bit

GeForce RTX 20 Series | GeForce RTX 2080 Ti | Windows 11

GeForce RTX 20 Series | GeForce RTX 2080 Ti | Windows 7 64-bit

Select the correct configuration and then press the Find button. It will find the most recent version of the GPU driver compatible with your GPU hardware. In the search result, press the view button in the Game Ready version:

Windows 10 64-bit
Windows 11

GeForce Game Ready Driver

What is a Game Ready Driver?
If you are a gamer who prioritizes day of launch support for the latest games, patches, and DLCs, choose Game Ready Drivers.

Driver Version: 596.21	Release Date: Thu Apr 16, 2026	File Size: 958.86 MB	Info: Game Ready WHQL	View
----------------------------------	------------------------------------------	--------------------------------	---------------------------------	----------------------

After hitting the view button, you will be redirected to the download page:

GeForce Game Ready Driver 596.21 | Windows 11

Drivers Home > GeForce RTX 2080 Ti | Windows 11 > GeForce Game Ready Driver

Driver Version: 596.21 | WHQL

Submit

Hit the download button and download the driver file. Run the download file and let it extract the needed files into your PC. After completing the extraction, this page will be opened.

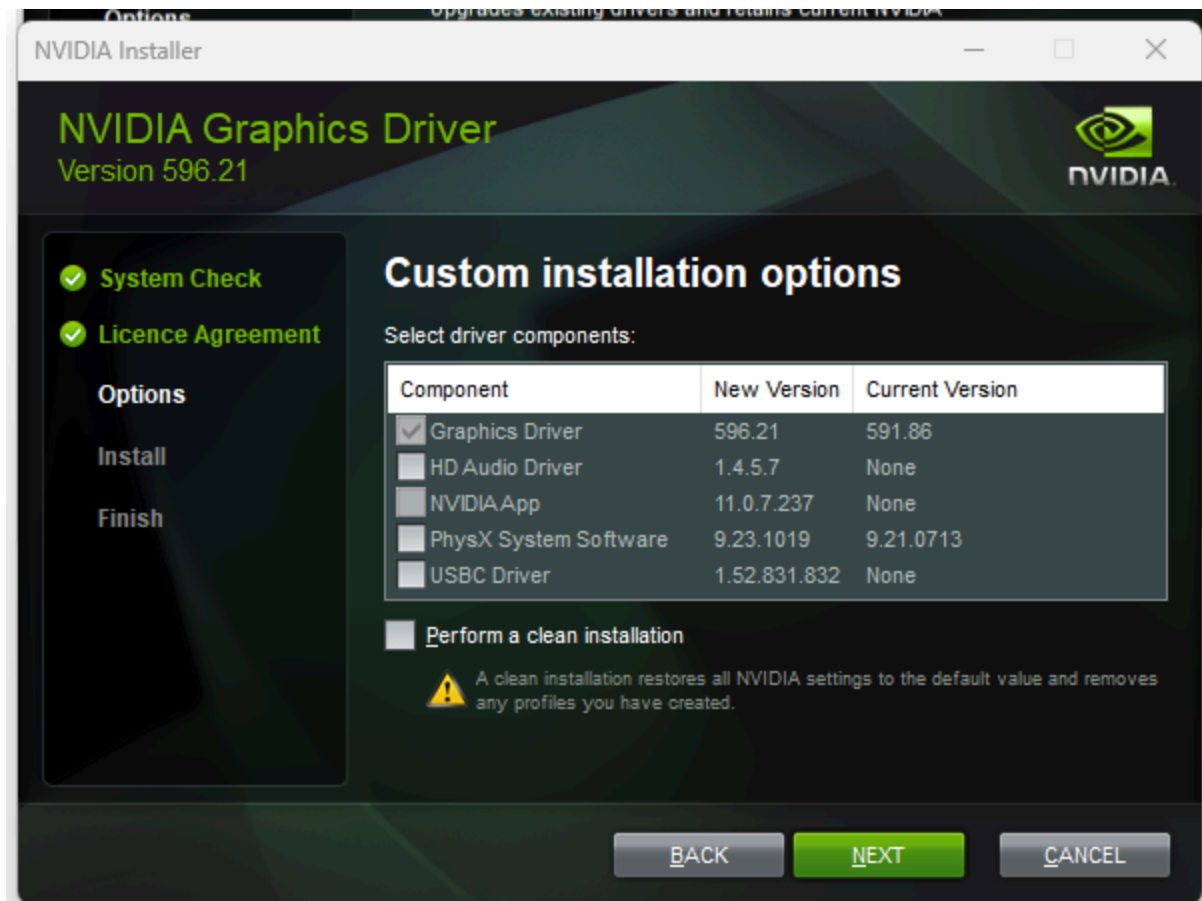

Select the second option to avoid installing redundant packages. Press the AGREE AND CONTINUE button.

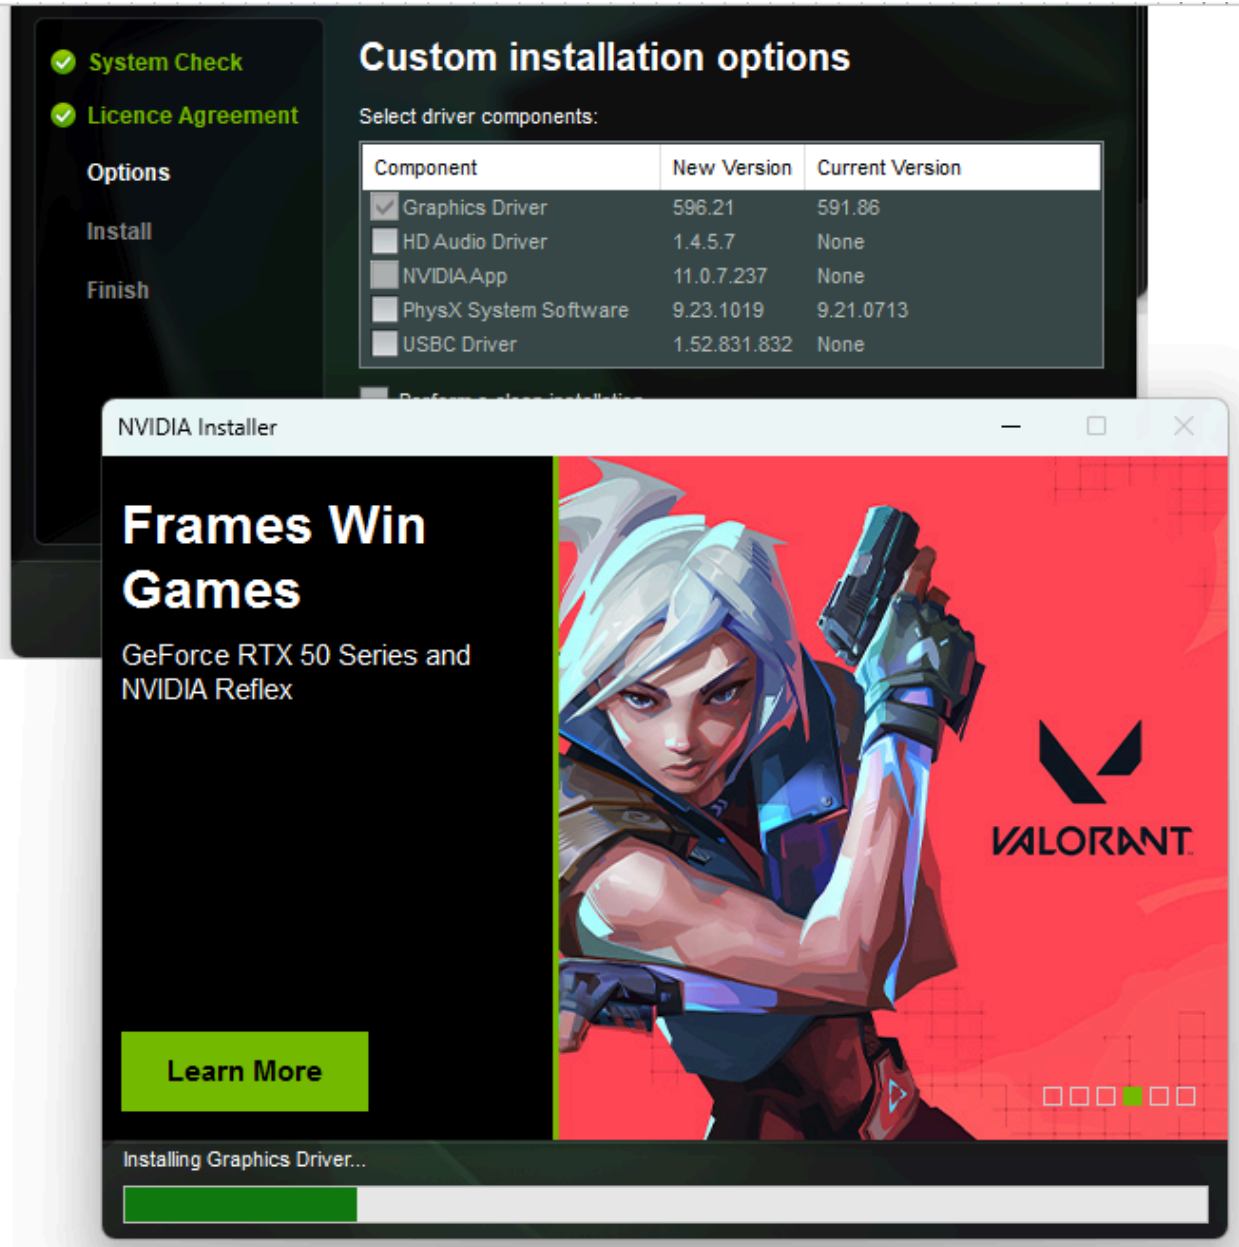

In the next page select the custom installation

In the next page just tick the Graphics Driver and leave the others unselected.

Press the next button, it will start to remove the old version and install the new GPU driver on your system.

When the installation finishes, you will observe this page, which indicates that the installation process has successfully finished:
